Household Garbage:

Should be placed at the curb for pick up in bags or containers no larger than 50 gallons or weighing over 50 pounds.

Tree & Yard Waste:

Should be placed at the curb area of each residence. Trees, shrubs, brush trimmings and fencing must be bundled in lengths no greater than four (4) feet with no branch diameter exceeding three (3) inches. The bundling is required to allow quick pickup and size limitations are required to avoid damaging the equipment in the crushing process. All residential waste materials except tree and yard waste must be either in containers, bags or bundles not exceeding forty (40) pounds. All permanent trash containers, after being emptied by TEW, will be returned to their point of origin in the same condition in which they were taken, normal wear and tear excepted.
